Oh man, I didn't know coral could be savage! The more you know...

@Darksea if I could be any Disney princess...hmm...Mulan or Moana. As for my fave superhero, I'm a Doc Strange gal. Read the comics as a kid and love that crazy magic. Plus his banter with Iron Man in the MCU is priceless.

@Reading 1. Might've picked up a bit of a New York accent by now but nothing too dramatic 2. Peril! She's great. A little terrifying, but great. 3. I'll have to see if I can find the old drawing somewhere. If not maybe a new one is in order ;)

@Topaz So I really love the Redwall series, but haven't read them in a long while. It's hard to pick a current favorite, but One Piece (the manga) is up there.

@Ivy I'm here to help during troll/hacker problems! If/when they happen (it is the internet, after all)

I'll get to your other Q's in a few! It's nice to meet y'all and thanks for the warm welcome :D

Hello Admin Becky! I am Boop, formally Galaxee. Just from your first post, your currently one of my favorite Admins (the overlord was just EPIC XD)

So, questions

1: Do you like the musical Hamilton? And if you do, then what is your favorite song in it?

2: Do you have a pet? If yes, then what is his or her name?

3: Who's your favorite Queen in WoF?

Also, I love your profile picture, it's legendary

I'm back! Ok moar answers:

@Angie: I like it bunches already! I did spend some time reading some of the RPs on here, y'all are some creative folks.

@Lily: You must travel through all the lands, searching far and wide...

@Boop (this is a great name) 1. I DO! I'm very lucky to have seen it in NY and I listen to the music all the time. Can I say the whole album is my favorite song? If I had to choose I really like Satisfied and of course My Shot. 2. My family has a dog, Roxie, who I visit sometimes. She likes to lick faces. 3. Queen Glory!

Who are all your favorite WoF characters?

Hello, Admin Becky!

You probably don't know me, so I'll introduce myself.....

Hi, I'm Indigo.

I'm a girl who would happily burn any posts up that are against the rules (and by 'burn' I definetely mean 'let people know they're going against the rules', AHEM.)

I prefer books with violence and action scenes, but I'll read anything (especially if it has a dragon on the cover, which is how I found WoF).

What books do you like?

@dragonflyblizzard187 1. sapphire 2. I have! I watched a few episodes on a flight once. Very cool show. 3. Oh, I love 'em.

@Indigo I really like fantasy, action, and/or mystery books!

@Quartz oh no there's a chocolate war?? But all chocolate is delicious! If someone put chocolate, any kind of chocolate, in front of me I would eat it. Do I have a preference? Maybe... you can try to guess ;)

@crimsondragon3073 I'm really into Kero Kero Bonito right now ~~ how many shrimps do you have to eat? ~~

Mod Sarah, Hi!! Peril fans unite :D

I'm sure most of you have seen the name poll I posted by now, hope y'all are psyched. I can't say much about what it's for, because TOP SECRET, but I think you will love what we have in store.
